Registering your name with us will ensure you retain exclusive rights to it on the Web, and now is the time to transfer and renew your name from your current Registrar to the Domain Renewal Group. Failure to renew your domain name by the expiration date may result in a loss of your online identity making it difficult for your customers and friends to locate you on the Web.

Privatization of Domain Registrations and Renewals now allows the consumer the choice of Registrars when initially registering and also when renewing a domain name. Domain name holders are not obligated to renew their domain name with their current Registrar or with the Domain Renewal Group. We would like you to transfer and renew your name from your current Registrar; review our prices and decide for yourself. You are under no obligation to pay the amounts stated below, unless you accept this offer. **This notice is not a bill**, it is rather an easy means of payment should you decide to switch your domain name registration to the Domain Renewal Group.
